GOLD

Gold trading range for the day is 46324-47072.

Gold prices inched lower as a record rally in global equity markets offset support for bullion from a softer dollar and data showing a jump in U.S. inflation.

U.S. consumer prices soared the most in more than 8-1/2 years in March. Gold is often viewed as a hedge against inflation.

Fed's Patrick Harker said the Fed will not withdraw its funding just yet even as the U.S. economy could expand by 5% to 6% this year.

Investors are looking for some other possibilities to invest in than gold where they can find higher yields.

SILVER

Silver trading range for the day is 66883-68223.

Silver prices edged lower as Treasury yields rose, offsetting the dollar's weakness.

Data showed that U.S. consumer prices rose 0.6 percent in March after rising by 0.4 percent in February.

IMF calls for additional euro zone fiscal stimulus in 2021-22

EU Commission could raise 2021 euro zone growth forecast in May
