GOLD

Gold trading range for the day is 46938-48078.

Gold prices gained as falling yields and the prospect of rising Chinese demand boosted the appeal of the precious metal.

The US 10-year Treasury yield fell to its lowest level seen in five weeks as inflation fear abated.

PBOC was reported to have allowed domestic and international commercial banks to import a large amount of gold to meet domestic demand.

Gold imports rise by 22.58 per cent to \$34.6 billion in 2020-21

SILVER

Silver trading range for the day is 67127-69979.

Silver prices dropped as the yield on the benchmark 10-year Treasury note edged higher to 1.61% recovering from a 1-month low of 1.53% hit last week

Also, the yields are pushed up by rising coronavirus infections and restrictions and slow vaccination in some parts of the globe, and geopolitical tensions

Silver imports during the last fiscal, however, dipped by 71 per cent to about \$791 million.

The European Central Bank meets on Thursday with no changes to rates or guidance expected.
