- Gold rises as dollar slips, stimulus bets grow
- Oil Mixed, Proceeds with Caution Over Emerging Signs of Supply Tightness
- Copper rises as dire U.S. jobs data boosts stimulus hopes

Precious metals

Gold prices rose to a one-week high on Tuesday, as a sliding dollar and hopes of more U.S. fiscal stimulus bolstered its appeal among investors seeking an inflation hedge. Spot gold was up 0.3% to \$1,835.24 per ounce by 1:38 p.m. EST (1838 GMT), after hitting its highest since Feb. 2 at \$1,848.40 earlier in the session.

NYMEX Oil

Oil was mixed Tuesday morning in Asia, with caution creeping into the market even as hopes for a strong rebound in fuel demand continue.Brent oil futures inched down 0.03% to \$61.20 by 9:47 PM ET (1:47 AM GMT) while WTI futures inched up 0.02% to \$58.37.There are signs of supply tightness, indicated by nearest Brent contract sharply widening its premium to the following month. Global inventories are also shrinking and there are expectations that U.S. supplies will also continue to record draws.

Base Metals

Copper prices gained on Monday as weak U.S. jobs data boosted hopes for a U.S. stimulus package that could support demand for metals and a recovery in the world's biggest economy. Copper is often used as a gauge of global economic health. Three-month copper on the London Metal Exchange rose 1.1% to \$7,996.50 a tonne by 0809 GMT, while the most-traded March copper contract on the Shanghai Futures Exchange closed up 1.6% at 58,590 yuan (\$9,073.45) a tonne.

Disclaimer:

Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to the recipient's specific circumstances. The securities and strategies discussed and opinions expressed, if any, in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient.

Technical View

This report may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this report should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this report (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. Certain transactions, including those involving futures, options and other derivatives as well as non-investment grade securities involve substantial risk and are not suitable for all investors. ASL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on basis of this report, including but not restricted to, fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc. Past performance is not necessarily a guide to future performance. Investors are advised to see Risk Disclosure Document to understand the risks associated before investing in the securities markets. Actual results may differ materially from those set forth in projections. Forward-looking statements are not predictions and may be subject to change without notice.

ASL and its affiliated companies, their directors and employees may; (a) from time to time, have long or short position(s) in, and buy or sell the securities of the company(ies) mentioned herein or (b) be engaged in any other transaction involving such securities or earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or investment banker, lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting this document.

ASL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that ASL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. ASL may have issued other reports that are inconsistent with and reach different conclusion from the information presented in this report.

Neither this report nor any copy of it may be taken or transmitted into the United State (to U.S. Persons), Canada, or Japan or distributed, directly or indirectly, in the United States or Canada or distributed or redistributed in Japan or to any resident thereof. If this report is inadvertently sent or has reached any individual in such country, especially, USA, the same may be ignored and brought to the attention of the sender. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject ASL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors.

The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. The Company reserves the right to make modifications and alternations to this document as may be required from time to time without any prior notice. The views expressed are those of the analyst(s) and the Company may or may not subscribe to all the views expressed therein.
