GOLD

Gold trading range for the day is 47044-48332.

Gold settled lower as the dollar recovered after initial weakness amid a rise in U.S. treasury yields.

Federal Reserve Chair Jerome Powell acknowledged that the "improvement in labor market conditions stalled" in the past few months

The number of Americans filing new applications for unemployment benefits inched down last week, consistent with a recent stalling in the labor market recovery

Gold imports in India for the month of January surged 72% from a year earlier.

SILVER

Silver trading range for the day is 67569-69731.

Silver prices edged lower as the dollar attempted a rebound after a benign reading on U.S. inflation and a dovish Federal Reserve outlook.

Fed Chair Powell emphasized that he wanted to see inflation at 2 percent or more before even thinking of tapering the bank's super-easy policies.

Euro zone growth in 2021 to rebound less than expected

The U.S. dollar is benefiting from a bounce in U.S. yields and low liquidity due to Chinese New Year holiday.
