GOLD

Gold trading range for the day is 45725-46699.

Gold dropped after data showed the labor market is steadily recovering as additional fiscal stimulus and falling COVID-19 cases allow more services businesses to reopen.

Prices also dropped pressured by a combination of a stronger dollar and rising US Treasury yields.

Initial claims for state unemployment benefits totaled a seasonally adjusted 861,000 for the week ended Feb. 13, compared to 848,000 in the prior week

However, the inflationary risks posed by record-high debt levels should drive prices higher in the long-run.

SILVER

Silver trading range for the day is 67339-70217.

Silver prices dropped continuing its weak trend on the back of dollar strength and rising U.S. Treasury yields.

The Fed's January meeting showed Federal Reserve officials were still prepared to keep monetary policy easy to help the coronavirus-hit economy.

Fed officials "anticipated continued progress in vaccinations would lead to a sizable boost in economic activity

U.S. housing starts pull back sharply from 14-year high in January
