## Growth certainty on explosive deal wins

We maintain BUY on Infosys (INFY), following a strong 3Q print (best 3Q in 8 years) and the highest-ever deal wins translating into growth leadership in tier-1 IT. TCV of large deal wins (including largest-ever Daimler deal) stood at USD 7.1bn (net new TCV at USD 5.2bn). Growth in 3Q was led by NorthAm-BFSI (Vanguard ramp-up), E&U, Life sciences vertical and NorthAm-Manufacturing/Communications. INFY scores high on growth visibility based on a staggering 3.5x growth in 9MFY21 net-new large deal TCV over the prior period. Growth ahead is predicated on (1) strong momentum in BFSI (8 large deal wins), (2) 4-4-3 large deal wins in Manufacturing, Communications, E&U verticals, (3) consolidation opportunities and continued growth in digital, driven by improving competitive advantage led by Infosys Cobalt and strong supply-side metrics (80% of digital fulfilment over past 3 years via reskilling). Our target price is Rs 1,580 at 25x Dec-22E (~10% discount to TCS and 24x earlier), supported by 20% EPS CAGR over FY21-23E.

- 3QFY21 highlights: (1) INFY delivered its best sequential growth in the past eight years at 5.3% QoQ CC (6.6% YoY CC). (2) EBIT margin stood at 25.4%, remained flat (+7bps QoQ), supported by operating levers of higher utilisation & offshore mix (+100bps), FX tailwind (+20bps), offset by transition & re-badging (-50bps), employee promotion (-20bps) and higher sub-con cost (-50bps). (3) Wage increase effective 4QFY21 will impact margins. (4) Out of the 22 large deals wins, 8 were in BFSI, 4 in Manufacturing, 4 in E&U, 3 in Communication and 1 each in Retail/Hitech/Other vertical. By region, 13 deal in US, 7 in EU and 2 in ROW. (5) Utilisation stood at an all-time high of 86.3% and management is targeting 82-85%.
- Outlook: INFY's growth leadership is backed by large deal wins which is key positive for revenue visibility in the near term. We have factored in USD revenue growth of 7%, 16.1%, 12.9% for FY21/22/23E with 4QFY21 at 3.5% QoQ. EBIT margin factored in at 23.9% for 4Q and 24.1/24.5% for FY22/23E. Valuations are at 24.8/21.2x (~14% discount to TCS) with FY21-23E EPS CAGR at 20%.

This report has been prepared by HDFC Securities Ltd and is solely for information of the recipient only. The report must not be used as a singular basis of any investment decision. The views herein are of a general nature and do not consider the risk appetite or the particular circumstances of an individual investor; readers are requested to take professional advice before investing. Nothing in this document should be construed as investment advice. Each recipient of this document should make such investigations as they deem necessary to arrive at an independent evaluation of an investment in securities of the companies referred to in this document (including merits and risks) and should consult their own advisors to determine merits and risks of such investment. The information and opinions contained herein have been compiled or arrived at, based upon information obtained in good faith from sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. Descriptions of any company or companies or their securities mentioned herein are not intended to be complete. HSL is not obliged to update this report for such changes. HSL has the right to make changes and modifications at any time.

This report is not directed to, or intended for display, downloading, printing, reproducing or for distribution to or use by, any person or entity who is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, publication, reproduction, availability or use would be contrary to law or regulation or what would subject HSL or its affiliates to any registration or licensing requirement within such jurisdiction.

If this report is inadvertently sent or has reached any person in such country, especially, United States of America, the same should be ignored and brought to the attention of the sender. This document may not be reproduced, distributed or published in whole or in part, directly or indirectly, for any purposes or in any manner.

Foreign currencies denominated securities, wherever mentioned, are subject to exchange rate fluctuations, which could have an adverse effect on their value or price, or the income derived from them. In addition, investors in securities such as ADRs, the values of which are influenced by foreign currencies effectively assume currency risk. It should not be considered to be taken as an offer to sell or a solicitation to buy any security.

This document is not, and should not, be construed as an offer or solicitation of an offer, to buy or sell any securities or other financial instruments. This report should not be construed as an invitation or solicitation to do business with HSL. HSL may from time to time solicit from, or perform broking, or other services for, any company mentioned in this mail and/or its attachments.

HSL and its affiliated company(ies), their directors and employees may; (a) from time to time, have a long or short position in, and buy or sell the securities of the company(ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.

HSL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on basis of this report, including but not restricted to, fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

HSL and other group companies, its directors, associates, employees may have various positions in any of the stocks, securities and financial instruments dealt in the report, or may make sell or purchase or other deals in these securities from time to time or may deal in other securities of the companies / organizations described in this report.

HSL or its associates might have managed or co-managed public offering of securities for the subject company or might have been mandated by the subject company for any other assignment in the past twelve months.

HSL or its associates might have received any compensation from the companies mentioned in the report during the period preceding twelve months from the date of this report for services in respect of managing or co-managing public offerings, corporate finance, investment banking or merchant banking, brokerage services or other advisory service in a merger or specific transaction in the normal course of business.

HSL or its analysts did not receive any compensation or other benefits from the companies mentioned in the report or third party in connection with preparation of the research report. Accordingly, neither HSL nor Research Analysts have any material conflict of interest at the time of publication of this report. Compensation of our Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. HSL may have issued other reports that are inconsistent with and reach different conclusion from the information presented in this report.

Research entity has not been engaged in market making activity for the subject company. Research analyst has not served as an officer, director or employee of the subject company. We have not received any compensation/benefits from the subject company or third party in connection with the Research Report.
