GOLD

Gold trading range for the day is 48640-49426.

Gold prices steadied as investors awaited key inflation readings that could offer clues on the Federal Reserve’s monetary policy going forward.

Janet Yellen said President Joe Biden’s \$4 trillion spending plan would be good for the United States even if it contributes to rising inflation

Gold imports plunge in India as second wave of Covid-19 slashes demand

Indian gold dealers offered the biggest discounts in 8-1/2 months this week as COVID-19-related restrictions stifled consumption

SILVER

Silver trading range for the day is 70478-72534.

Silver remained supported after a weaker-than-expected U.S. monthly jobs report calmed investor fears about the Fed reining in monetary stimulus in the near future.

The Labor Department report showed job growth in the U.S. reaccelerated in May but still fell short of estimates, helping ease inflation and tapering jitters.

Investors awaited U.S. inflation data and clarity on when the Federal Reserve might start tapering economic support measures.

Inflation will remain in focus, with the U.S. consumer price index report due on Thursday, and central bank meetings scheduled in Europe and Canada.
