

Nifty Outlook

Markets started the week on an optimistic note amid supportive global cues. The benchmark traded with positive bias throughout the day and healthy buying was seen across sectors. Further, the news of a steady fall in new COVID cases and announcements of easing in restrictions by several states boosted sentiment. Consequently, the Nifty inched further higher and ended at 15,752 levels, up by 0.5%. On the broader front, midcap and smallcap, outperformed and gained in the range of 0.8-1.4%.

All eyes are on PM Modi's speech scheduled in the evening, for details on the vaccination drive and the roadmap for further ease in restrictions. And, we may see the reaction of the same in early trade tomorrow i.e. June 8.

On the benchmark front, the recent underperformance from the banking space is certainly weighing on the sentiment and might trigger some profit taking too. However, buoyancy in other sectors viz. energy, IT and auto would cap the fall. Amid all, we advise continuing with bullish bias and use dips to add quality names.

Investment Pick - Crompton Greaves Consumer Electricals Ltd.

Scrp	CMP	Recommendation Price	Target	Duration
Crompton Greaves Consumer Electricals Ltd.	407.05	396	479	9-12 Months

Crompton Greaves Consumer Electricals (CGCE) reported strong set of numbers for Q4FY21. Its consolidated revenue grew by 48.3% YoY led by strong growth across geographies and different product categories. The net profit was boosted (+144% YoY) by a one-time tax write back and a sharp rise (+72.2% YoY) in other income. In the near term, demand would be impacted on account of on-going restrictions and expect normalcy by Q2FY22.

We like CGCE for its strong growth potential, consistent rise in market share in its key segment coupled with healthy dividend pay-out ratio, strong cash flow generation, lean working capital cycle and robust return ratios. Factoring the impact of demand uncertainty in the near term, we have lowered our estimates for FY22E. We maintain a Buy on the stock with a target price of Rs. 479.
