**GOLD**

Gold trading range for the day is 48336-49444.

Gold prices eased hurt by an uptick in the U.S. dollar and bond yields, while investors awaited key economic readings out of the United States.

Benchmark U.S. 10-year Treasury yields held near a more-than two week low touched on Tuesday

Fed vice chair Richard Clarida said the U.S. central bank can curb an outbreak of inflation should it occur without throwing recovery off track.

Fed Board Governor Lael Brainard and other officials in separate remarks all backed the U.S. central bank's current easy monetary policy view.

**SILVER**

Silver trading range for the day is 70271-73349.

Silver prices dropped on profit booking after prices earlier gained as dollar index and US treasury yields remained subdued

New home sales dropped 5.9% to a seasonally adjusted annual rate of 863,000 units last month, the Commerce Department said

James Bullard, told that policymakers should not be too eager to pull back support yet as vaccinations bring the economy "closer and closer" to pre-pandemic form.

Other Fed officials Raphael Bostic and Lael Brainard also talked down inflation risks and described the recent demand-supply disruptions as transitory.
