GOLD

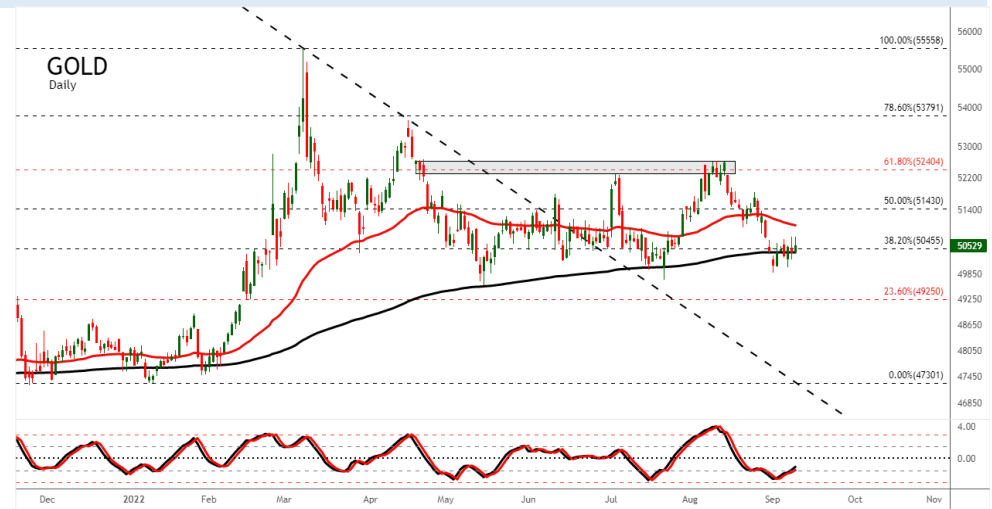

Gold trading range for the day is 49627-50829.

Gold prices fell prompted by a stronger dollar, after a hotter-than-expected inflation print pushed bets of more jumbo rate hikes by the Fed.

US 10-Year treasury yield breaks above 3.4%

The US annual inflation rate eased to 8.3% in August from 8.5% in July, above market expectations of 8.1%.

In Europe, investors bet the ECB will continue to rise borrowing costs sharply

SILVER

Silver trading range for the day is 55895-58107.

Silver fell as the dollar jumped after an unexpected rise in monthly consumer prices that could support the case for aggressive rate hikes

In the 12 months through August, the CPI increased 8.3%, a deceleration from July's 8.5% rise.

The consumer price index gained 0.1% last month after being unchanged in July, the Labor Department said

The ECB must raise interest rates further to prevent record euro-zone inflation from spilling over into wages
